VILLA AFRIKANA

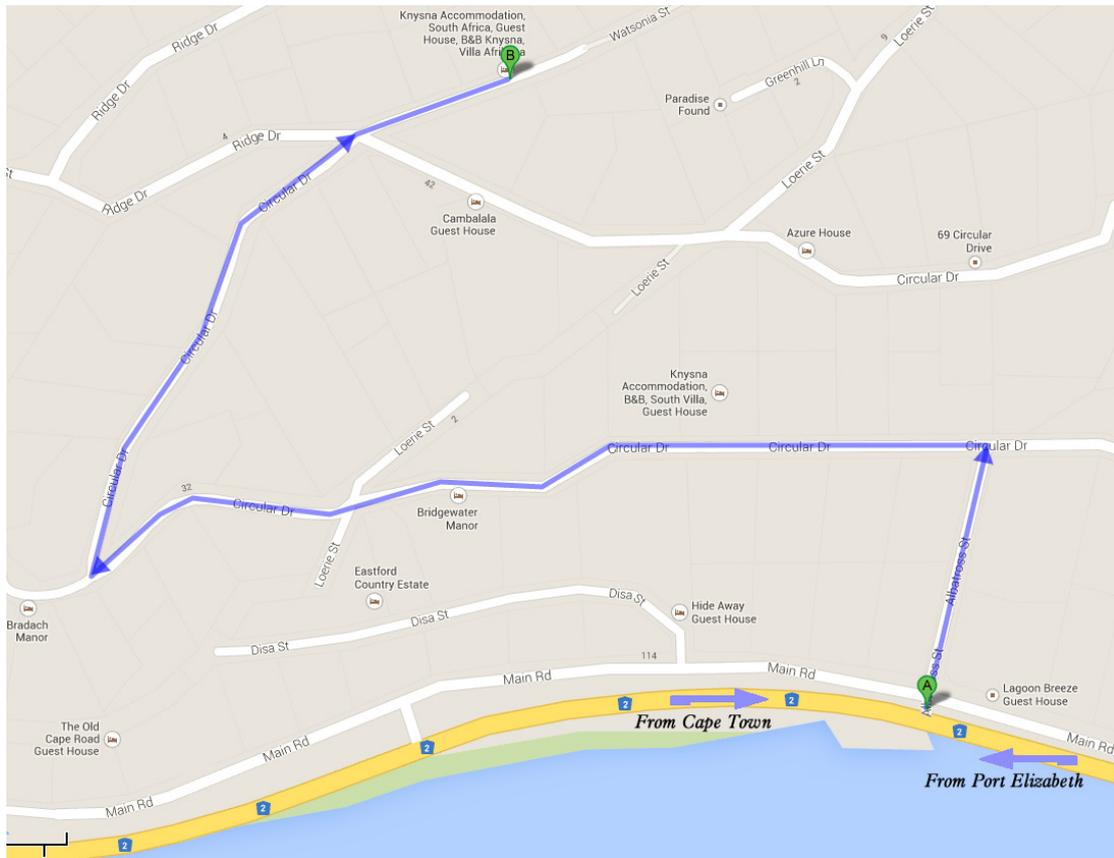

Guest Suites

Map & Directions

How to Find Us

Latitude: 34° 2' 0.33" S - Longitude: 23° 1' 53.81" E

Directions:

From George Town/Airport (west):

Drive east along the N2 for about 65kms to Knysna. Pass the towns of Wilderness and Sedgefield. Just before reaching Knysna the N2 crosses the lagoon at the White Bridge, Driving into Knysna pass 2 sets of Robots (traffic lights) and turn left into Albatros Street by the Lagoon Breeze B&B. At the top of Albatros Street turn left into Circular Drive and drive straight up the road (over 3 speed bumps) until you reach a four way stop, 13 Watsonia Drive (street) is right across the street. There are sign boards to Villa Afrikana all the way from the bottom of Albatros Street to the beginning of Watsonia Drive (street).

From Port Elizabeth Town/Airport (east):

Drive west along the N2 for about 275kms to Knysna. Pass the town of Plettenberg Bay and after about 30kms you will be entering Knysna. Keep driving along the N2 (which is also Knysna Main Street) till you pass 6 sets of Robots (traffic lights). By the 3rd set of Robots you will pass the Provincial Hospital on your right hand side and just before the 6th and last set of Robots you will pass the Total Garage (petrol station) still on your right hand side. Pass the 6th and last set of Robots and turn right into Albatros Street by the Lagoon Breeze B&B (3rd street after the 6th set of Robots). This is a tricky right turn; ensure you alert other drivers following you of your intention to turn. At the top of Albatros Street turn left into Circular Drive and drive straight up the road (over 3 speed bumps) until you reach a four way stop, 13 Watsonia Drive (street) is right across the street. There are sign boards to Villa Afrikana all the way from the bottom of Albatros Street to the beginning of Watsonia Drive (street).
